Boy Scout Crew 97  
Trinity United Church of Christ  
Waynesboro, PA 17268

Mr. Gary Smith;

Boy Scout Crew 97 Dive Team wishes to thank Mr. Smith and East Coast Diver, LLC for the discount on Diving Equipment we used for repairing Sinoquipes' Dock and Flood Control Tower. It was much appreciated. Boy Scouts from all over the Tri-State Area attend Sinoquipe for a week of summer camp. Sinoquipe is the "Builder of Men," and East Coast Diver, LLC has helped with the training and facility maintenance so we as leaders, can focus on the boys.

Boy Scout Crew 97 Dive Team is a first of its kind in Mason-Dixon Council, based in Hagerstown. Most members of the Crew are Certified Divers and travel to dive sites to allow the boys to experience the "Other World on our World." 90% of the oceans on the Earth have never been seen, much less explored, by Man.

On behalf of Mason-Dixon Council, Tuscarora District, and Boy Scout Crew 97, I thank you again for supporting Boy Scouting.

Yours in Scouting,

Douglas Henneberger  
Tuscarora District Boy Scout Training Chair  
Boy Scout Crew 97 Dive Team Divemaster
